Duenweg Fire Causes \$10,000

Estimated Loss.

Duenweg, Mo., June 15.—Fire, of unknown origin, which broke out in an old saloon building owned by Lee Cloud, destroyed the saloon, together with four other frame buildings immediately adjoining before it was brought under partial control at 2 o'clock this morning. The spread of the flames to a brick business block was prevented only by the dynamiting of a barber shop belonging to Charles Corps. The Joplin fire department was called to assist in the fight against the fire. The loss is estimated at \$10,000.

Girl May Explode Any Minute.

Omaha, Neb., June 14.—Helen Well, 20 years old, Saturday night attempted suicide by swallowing a quantity of gun cotton. All day yesterday she had been resting on a heavy mattress with a double set of springs and tied in such a manner that she cannot move.

In the meantime she is being dosed with chemicals in an effort to dissolve the explosive. Late last night the girl had a fight and was severely beaten. She was taken to the police station, and while in the surgeon's room grabbed a bottle and swallowed the contents, which proved to be gun cotton.

She was quickly and carefully placed under arrest and slung in a canvas hammock, but was later placed on the bed with springs.

Pastor Hurt in Auto Smash.

Webb City, Mo., June 14.—The Reverend Doctor James H. Spear, pastor of the First Union Presbyterian Church, of New York, was badly hurt here to-day in a collision of two street cars with an automobile in which he was riding.

He came to Webb City to fill a local pulpit yesterday.

Force of Operators Increased by Frisco.

Three telegraph operators are now working full time in the Frisco passenger station. Since the retrenchment of the road during the past financial stringency only two operators have been working full time. Passenger Agent Gann taking the extra "trick." Mr. Gann will now devote his full time to the duties in the ticket office. Elmer Carney of Monett received the position and entered on his duties yesterday. Each of the operators work eight hours, which is as long as they are allowed to by law.—Springfield Republican.

The beautiful grounds, excellent water and good order that is maintained at these annual reunions has caused thousands to attend it from year to year. Prominent speakers will address the people and one of the best Concert Bands in the Southwest will furnish music for the occasion. The dates this year are August 3, 4, 5 and 6. Come and camp on the grounds the entire four days, and thereby have four days of solid enjoyment. Those desiring privileges should write Privilege Committee of Reunion, Cassville, Mo. R. G. SALYER, Pres. MEANS RAY, Secretary.

Must Suit All Tastes.

"My wife wonders why the papers waste so much space on mere news."

"What does she read?"
"Oh, she reads the weather probabilities, the bargain possibilities, the marriage notices and the love story. But an item about a big battle or the fall of a dynasty looks piffing to her."—Louisville Courier-Journal.
